### SUMMARY

I'm a Front End Developer with passion for building innovative solutions.

My expertise includes HTML, CSS, React, JavaScript, Bootstrap and Wordpress with some understanding of NoSQL, Node.js, ExpressJS, Firebase, MongoDB.

In my free time, I enjoy exercising, being outdoors, traveling, keeping up with the latest developments in technology, and experimenting new ways to improve my skills.

I'm excited for the opportunity to join a dynamic team that shares my passion for technology and creating outstanding user experiences
